**CE Credit:** 1.0 Contact Hrs

Parking lot is in front of the building

## Meet Our Program Coordinator

### Jackie Palmore, BSN, RN, CHPN

Hi, I'm Jackie Palmore! I graduated from UAB in 1986. My nursing career started in Oncology & Critical Care, but I quickly realized there had to be a better way of caring for people with serious illness. Hence, my love for hospice & palliative care began! I have 30 years combined experience in hospice & palliative care in a variety of different roles. An exciting part of my career was the opportunity to implement the first hospice prison program for the State of AL in 2001. In this role I trained volunteer inmates to care for dying inmates. I am currently the Palliative Care Coordinator for UAB Hospital & have been in this role since 2004. I am an ELNEC trainer. I am also one of the founding members & past presidents of Central Alabama HPNA.

I was born at the Air Force Academy in Colorado Springs. My father was in the Air Force, so we traveled & lived in a variety of places between Europe & the States. Finally, we arrived in Alabama, where my mother is from, & my father retired. I live in Pelham with my 17-year-old daughter, Morgan, who is a senior at Pelham High School. She will be starting UAB this Fall with an interest in Medicine. Morgan & I live with our three dogs (Deputy, Izzy, and Bubbles); our Blue Fronted Amazon Parrot (Jellybean); & Clyde the Cockatiel. I enjoy reading, cooking & gardening.

## New Online Meeting Platform

HPNA has introduced an online meeting platform. Rachel has set this up to use for our April chapter meeting. We request your patience as we initiate this new online platform.

**Join from your computer, tablet,  
or smartphone:**
