

Ohio IAFN Members,

It is with great enthusiasm that I introduce you to your **IAFN – Ohio Chapter 2019 board members.**

Sarah Schemmel, President

Michelle Stratton, President Elect

Tammy Robertson, Past President
Treasurer

Loralee Bidlingmaier,

Mindy Lause, Secretary

Laura Kaiser, Director at Large: Communication
Liaison

2019 brings exciting opportunities to support you as forensic nurses and in advancing the vision of the IAFN here in Ohio. Promoting greater access to the board members, expanding educational opportunities and maximizing information sharing amongst forensic nurses throughout Ohio are some of the initiatives you can expect from us this year. We have developed the following two Director at Large positions, one being in Government Affairs and secondly in Education and Standards, each to focus on a specific area of growth within our organization.

To further improve our goal to enhance member communication, we have also restructured the current web master position into a Director at Large position focus on Communication Liaison. Although the Communication Liaison position is currently filled, we are excited to accept letters of intent to be considered to serve as Director at Large in one of the two areas of needs – Government Affairs or Education and Standards. For consideration, please submit your resume/CV with letter of intent specifying in which area of service you would like to be involved. Deadline for submission is April 15th via email at iafnohiochapter@gmail.com

Members may also communicate directly with the board via iafnohiochapter@gmail.com. We are readily available to answer questions, assist with your concerns and gladly receive your input and feedback.

Ohio Chapter of IAFN

On behalf of the board, we are grateful and eager to serve and support our members. We welcome you and encourage you to attend our next quarterly meeting June 20, 2019 at MetroHealth in Cleveland.

Respectfully yours,

Sarah Schemmel
Ohio Chapter President
