The Many Faces of Advocacy in Nursing

Deborah Elliott MBA, BSN, RN Ms. Elliott is currently the Executive Director of the Center for Nursing at the Foundation of New York State Nurses and the Executive Director of Nurses House, Inc. As a registered professional nurse, Deb's clinical expertise is in the field of Women's and Children's Health, primarily Labor and Delivery. Her professional career began at a community hospital in upstate New York for which she worked for 27 years, 12 of those years in administrative positions. Since obtaining a MBA from Union Graduate College, Deb has served in various leadership positions including the Executive Director for the Maternal Infant Network of the Capital District and the Deputy Executive Officer for the New York State Nurses Association. She has directed many programs and projects, including grants provided by the New York Department of Health, New York Department of Labor, the New York Department of Education, the United Way, and the Robert Wood Johnson Foundation. Deb is also a founding partner and faculty for the Leadership Innovation Academy, LLC (LiA) which provides leadership development training courses designed for nurses. She serves on the board of the National Forum of State Nursing Workforce Data Centers as well as boards for a few local community agencies. Deb is a seasoned public speaker, educator and grants writer. She is certified in Labor Relations from Cornell University and an accredited facilitator in Five Behaviors of a Cohesive Team from Wiley.
