

# ergoX

an eXtraordinary  
ergonomics event

An eXtraordinary conference that provides practical, usable, and impactful solutions for the daily challenges faced by ergonomists and safety specialists across a wide range of office and industrial settings.

**SAVE THE DATE! June 17–19, 2015 | Hyatt Regency Orange County**

## World-class leaders in the ergonomics field will:

- Translate the latest scientific findings and best practices into effective information, procedures, tools, and approaches to improve work safety and wellness
- Help you find solutions to your specific ergonomics challenges through an expert panel and innovative “State Your Case” poster session

Become better equipped to manage ergonomics risk factors at your facility and join other professionals at this one-of-a-kind event.

## You will find:

- Solutions to pressing ergonomics problems
- Cutting-edge information on risk factors
- Comprehensive coverage of ergonomics evaluation and identification of solutions
- Strategies for accessing additional expertise
