

Individuals who participate in the workshop gain the skills necessary to become *Open Airways for Schools Facilitators* in their communities. Each facilitator is trained to hold an evidence based asthma management program for children 8-11 years old. These sessions are delivered over 6 sessions and each session is 40 minutes.

Why Use Open Airways for Schools?

Open Airways For Schools is the most widely recognized asthma management program for children in the nation, and a proven-effective way to improve asthma self-management skills, decrease asthma emergencies and raise asthma awareness among families and school personnel
