

Conference Name	AACN-WMC Annual Spring Conference		
Host	American Association of Critical Care Nurses (AACN)-West Michigan Chapter		
Audience	We're anticipating higher than typical attendance (likely around 50-70 individuals, from multiple hospital systems and varying nursing roles (bedside (ICU, surgical services, inpatient, ED, etc...), CNS, directors, educators, even retired nurses who love coming to our events)) as we are offering sessions that are required for state licensure (human trafficking and pain topics). We intentionally host both local speakers that our registrants recognize and work with, as well as nationally renowned speakers who bring their expertise to West Michigan.		
Location	The Postma Center at Pine Rest in Grand Rapids		
Date	March 19, 2026		
Exhibit Fee	\$825		
Includes	Table, 2 chairs, trash can, outlet access, breakfast and lunch for up to 2 individuals. Please reach out for additional requests.		
Agenda— exhibitor set up is available starting at 6:30			
	7:30-8:00	Registration/Breakfast/Vendor Time
