## August 2019

Happy summer to you all! I hope you have been able to get outside and enjoy some of this wonderful weather. My husband and I have been spending some time camping with family, kayaking with our Golden Retriever, and attending the Wisconsin State Fair. We have also begun to enjoy the reaping of my garden – eating a lot of salads and zucchini!

As August begins and our summer seems to be wrapping up, I would like to turn your attention to our upcoming chapter meetings. The board has been working to provide you with the best educational opportunities, starting with our Kick Off Meeting on **September 10<sup>th</sup> @ The Wisconsin Center's City Club**. I encourage you to circle this date on your calendar! We are privileged to have a former AORN National President and current AORN National Board of Director as our keynote speaker. William "Bill" Duffy was AORN National President from 2004-2005 where he led the initiative for National Time Out Day to eliminate wrong site surgery. He will be speaking to us about owning and leading our profession. The cost to attend is \$25, but at an incredible venue with an excellent speaker and dinner, you do not want to miss this!

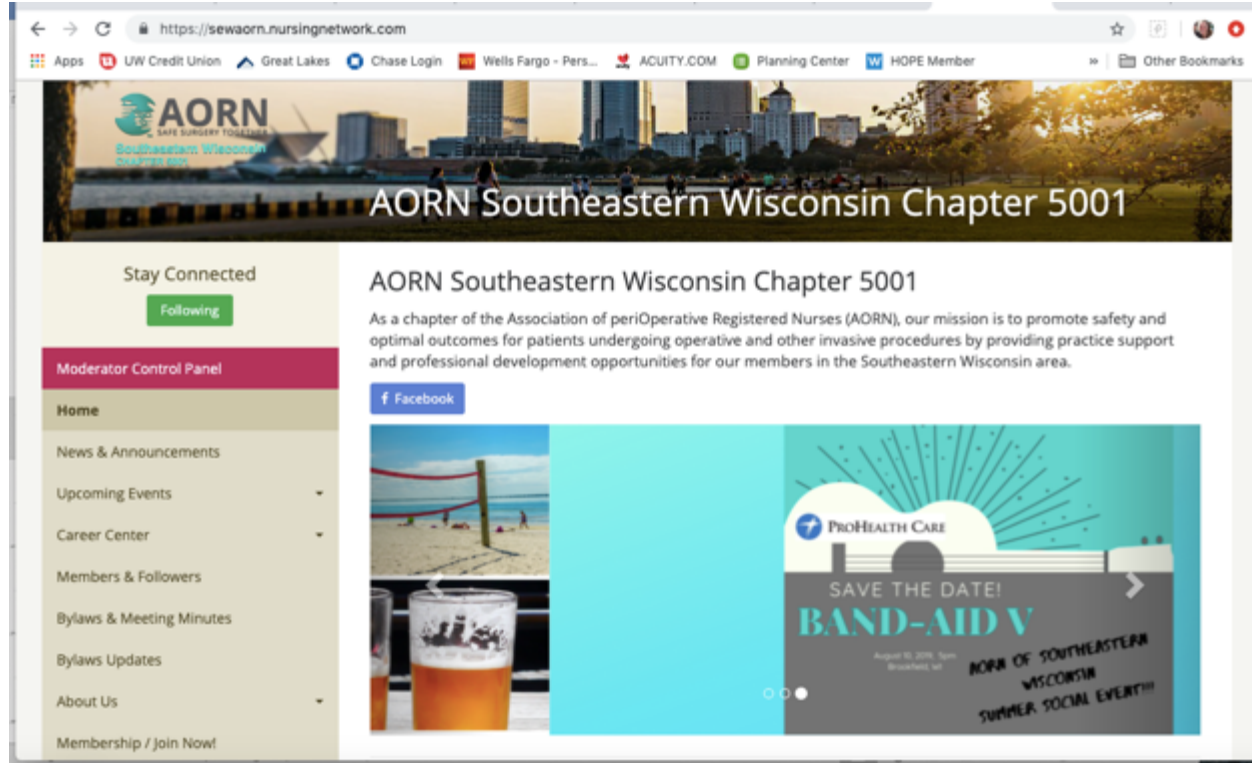

The last note I have for you is that I will be sending out our annual Survey Monkey by the end of the week – we want to provide you with the best possible events and educational offerings, so we want to hear from you. I am asking that you please do NOT ignore this email you will receive from me, it will take no longer than 5 minutes to complete the survey. As a voice for our members, we want to know what YOU

want to learn and are interested in. So please PLEASE take the time to respond to the survey! Your results are reviewed and considered.

Thank you for all you do, and please do not hesitate to reach out if you have any questions or comments. Enjoy the remainder of your summer, and we will see you in September!
