

Remember and Resolve

August 7, 2019
8:00 P.M.

Michigan State Capital Steps

A time to be together, to grieve, to focus on love and caring

Join us.

Gather to honor those lost and save those who will be lost if we fail to act. By rolling up our sleeves and engaging in the hard work of participatory democracy, we can reduce gun violence. We are all part of the interdependent web of life, any loss is all our loss. It is our moral imperative; rise up together in an effort to prevent additional gun violence.
