Conference Objectives

This conference addresses international neuroscience nursing research across the continuum of scientific inquiry: bench/basic research; translation research; and planned, ongoing, and completed clinical trials. In this fast-paced meeting you will hear from more than 30 world leaders in neuroscience nursing research. If you conduct, carry out, or care for patients in neuroscience research studies, you will be engaged and inspired by attending this conference.

Continuing Education Credit

The American Association of Neuroscience Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The American Association of Neuroscience Nurses is accredited as a provider of continuing nursing education by the California Board of Registered Nursing (CEP: 13331).

Successful completion: Participants must be registered for the conference and attend the session(s). Attendees can be awarded 1 nursing contact hour for every 60-minute educational session they attend and evaluate. Each participant will receive a username and password to complete an online evaluation. Participants must complete a form for each session they attend and an overall conference evaluation to receive contact hours.
