TRENDS ACUTE & CRITICAL CARE NURSING™

Dear Nurse Colleague,

Join us for TRENDS Acute & Critical Care Nursing where you will meet nurses from around the country who share your expertise and commitment in providing care for patients with a myriad of co-morbidities and complications in which optimizing their care is frequently challenging and complex. You will hear from expert national and local speakers who will provide you with the most current information enabling you to understand the latest techniques used to improve patient outcomes utilizing best evidence-based strategies for treatment, prevention and care of the critical care patient. Features of this program include:

- **Sessions** featuring timely topics in Respiratory, Neurology, Cardiology, Pulmonary, Palliative Care, Pharmacology, and Leadership
- **Opening Monday Plenary Session** Moral Ethics discussion presented by Dr. Peter A. Clark, Ph.D, MA Philosophy, MS Counseling Psychology, MDIV Divinity
- **Opening Tuesday Plenary Session** AACN President presenting the 2019 AACN theme!
- **Wednesday Plenary Session** ECMO Panel Presentation: “Surviving ECMO” John C. Haddle, CCP, LP, MBA, Dr. Jacob Gutsche, Allison Dietz, RN, BSN, Edward Fagan, Bryan Fagan, BSN, RN, CCRN
- **Ventilator Management** lecture with a Ventilator Workshop session all day Tuesday presented by Dr. Herbert Patrick, MD, MSEE
- **On-site CCRN and PCCN Paper / Pencil exam** on Thursday after completion of the review course
- **A Town Hall Meeting** - Join us for a Region 3 Collaborative meeting joined by AACN President
- Tuesday stay and enjoy dinner, a fun presentation and an evening of networking *Nurse Power! Harnessing the Power, the Passion, and the Pride of Nursing Donna Cardillo, RN, MA, CSP, FAAN The Inspiration Nurse and the Nurse Whisperer*

Mark your calendar and plan now to attend TRENDS Acute & Critical Care Nursing at **Caesars Atlantic City** located Overlooking Marina District, 2 miles from the Boardwalk. Find out more online at <https://aacnsepa.nursingnetwork.com>.

We look forward to seeing you!

Sincerely,

TRENDS ACUTE & CRITICAL CARE NURSING™ DETAILS

TARGET AUDIENCE

The program will benefit critical care nurses, advanced practitioners and other clinicians in the specialties of cardiology, neurology, pulmonary, critical care medicine and primary care.

TRENDS LEARNING OBJECTIVES

- Validate and expand knowledge on current practice standards.
- Examine the impact of issues and trends on care delivery and practice.
- Refine clinical judgment and critical thinking skills through case analysis of issues in patient care and healthcare delivery.
- Develop a professional network of colleagues, and associates from practice and industry.
- Explore ways to influence workplace health, ensuring healthcare systems driven by patients' needs, where nurses make optimal contribution.
- Stimulate inquiry into the fields of trauma, stroke, cardiovascular, pharmacology, and leadership.

SPEAKER PRESENTATIONS

Registrants have access to Nursing Network, which contains speaker presentations.

Please note: not all speakers provided presentations for accessing on Nursing Network

COMMERCIAL SUPPORT

SePA has applied for educational grants in support of the program. Awarded grants will be acknowledged in the opening remarks.

GENERAL INFORMATION

REGISTRATION

Please register online through the following website: www.aacnsepa.nursing-network.com It's fast, convenient, and easy to use. VISA, MasterCard, Discover, and AMEX accepted. Online registrations receive immediate confirmation. Maximum and minimum registration levels have been established. In the highly unlikely event that minimum registration is not reached one week prior to the conference, it may be subject to cancellation.

WHAT IS A CERP?

A continuing education recognition point (CERP) equals 60 minutes of continuing education. Some sponsored sessions award CERPs instead of traditional continuing education (CE) credit. Many state boards of nursing and other certification organizations recognize CERPs as meeting continuing education requirements. AACN recommends consulting with the state board or credentialing organization before submitting CERPs to fulfill continuing education requirements. AACN accepts CERPS for renewal of all AACN certifications.

CE/CERP CREDIT

Hours of continuing education credit, calculated on a 60-minute contact hour, are determined by the numbers of sessions a participant attend. Credit listed in contact hours.
