

*Dennis M. Abbott, D.D.S. is the founder and CEO of Dental Oncology Professionals, an oral medicine based practice dedicated to meeting the unique dental and oral health needs of patients battling cancer. In addition to private practice, he is a member of the dental oncology medical staff at Charles A. Sammons Cancer Center at Baylor University Medical Center in Dallas. Dr. Abbott is also the founder of the American Academy of Dental Oncology and serves as a consultant to the national American Cancer Society in the development of oral monitoring guidelines for post-treatment cancer survivors. Dr. Abbott lectures internationally on the topics of dental oncology and oral cancer.*
