Describe your academic and professional background and other relevant experience.

Staff nurse >20 years bedside. Active ENA member since 1999. Active board member, committee chair since 2006. I have organized several education conferences, teach and course direct ENPC/TNCC routinely. I have written and delivered multiple lectures locally and nationally.

Why do you seek a position on the Oregon ENA board of directors? To serve the members of the Oregon ENA, encourage communication, continuity of the directives of the organization, and mostly provide opportunities for the general members to network and expand/improve their practice.

Outline the specific skills you bring, or contributions you hope to make, to the Oregon ENA Board of Directors. See historical activity.

Outline your participation on an elected or committee position on the local, state or national level within the previous five years. I have served on the national conference planning committee (leadership 2011), currently chair the national course admin faculty committee. Lectured at national in 2016 (case study with Jeff Solheim and Terry Foster). Experienced board member in various roles (secretary, director at large, president, president-elect, education chair, social media chair, web page manager) for over 10 years.
