Pulse Beat Newsletter

November 2019

Greetings to you all! Well, with the snowfall we received yesterday, I cannot deny anymore that winter is coming soon. And with that brings us closer to the end of another year. As the holidays approach, what are you thankful for this year at your facility? I reflect on the blessing of being involved in this professional organization. I am coming up on my 5th year as an OR nurse. Wow did time fly! When I started in the OR, I had no idea what AORN was even

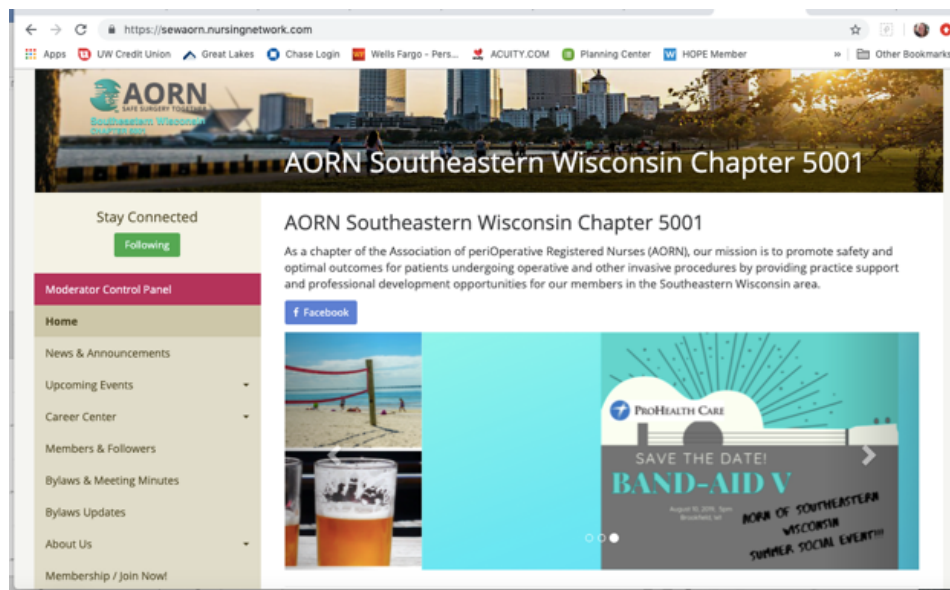

about. My facility promoted attendance at AORN National Expo in Boston 2017, and I was intrigued. That is where my knowledge and interest in AORN began, and now I am honored to be your local chapter president. I have learned so much about our organization and our members, and I think we are working immensely to make this chapter something you love too. Please continue to be active and promote for new nurses!

I am also thankful and blown away with the attendance at our October meeting. Below you will find the picture taken with the number of attendees, and all the winter coats that were donated to the Street Angels. Thank you all so much for taking time out of your evening to join us! It has been such a pleasure to network with you all and our industry partners at these meetings.

Speaking of meetings, coming up is our first ever BRUNCH meeting! We listened to your suggestions for changing up the day, so we are hosting our meeting on Saturday, November 16 from 7-10:30am. Please consider joining us for morning yoga, followed by brunch and a CE presentation about Injury Prevention. Dr. Carole Vetter is an orthopaedic and sports medicine doctor at Froedtert and the Medical College of Wisconsin. She is also the team physician for the US Speedskating team and the Milwaukee Bucks! I am thrilled that she will be speaking to us, and you will receive 1.0 CE for attending! Please invite your friends, and we hope to see you there in a few weeks!

Stay warm, and stay motivated as enter the last few months of the year!

New website: www.sewaorn.nursingnetwork.com

Log on to our new website and check out all of the features!

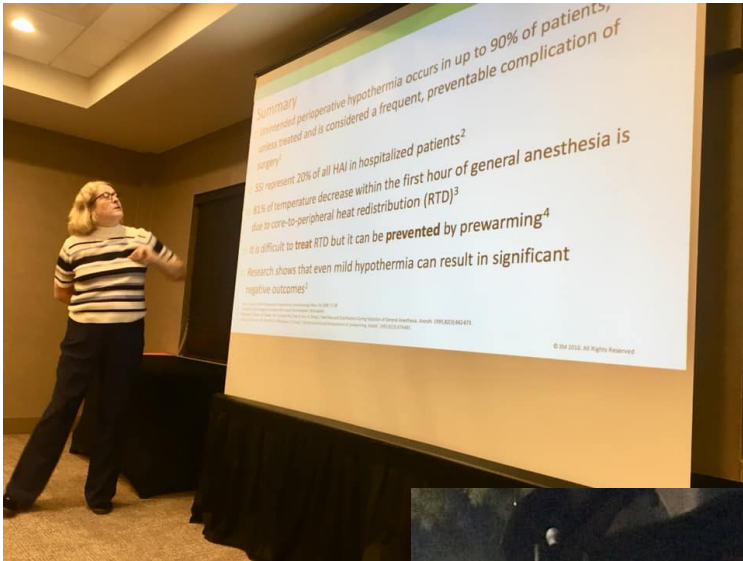

- Stay up to date on all chapter events and activities
- RSVP for monthly meetings
- Review past meeting minutes and chapter newsletters
