Pulse Beat Newsletter

February 2020

Welcome to 2020, the Year of the Nurse! AORN Expo is right around the corner, and I am excited to see what topics and speakers are planned to inspire us Perioperative Nurses this special year. If you are planning to attend Expo, make sure you register before February 7th to take advantage of \$100 in savings. If you have any questions about registering or about Expo, or if you are going to be there, please let me know!

Some of you might not know, but our local chapter has funds dedicated for member education. We try to get information out early about essay submissions to receive funds to attend Expo. I'm sad that we did not have many essay submissions this year, and I apologize if the information was not clear or not far enough in advance. Please keep in mind for next year that our chapter can help fund your attendance! With that being said, congrats to our stipend recipient, Brian Herrenbruck. He will be attending Expo as a Chapter 5001 delegate, and as a first-time attendee!

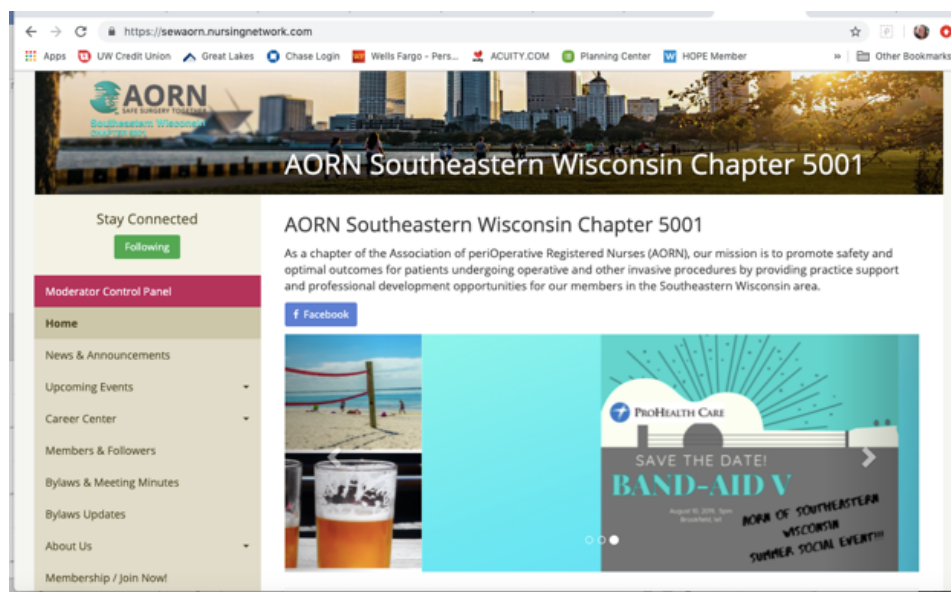

I'm excited for the second half of my term, as the board has been working hard to provide some interesting educational sessions. We created a new chapter email address for better and more streamlined communication. We also have CE opportunities coming up in March and at our April 18th Seminar. The topic is surgical oncology advancements across different specialties. More information coming soon. Mark your calendars now!

We also published our February social event – please join us at Lakefront Brewery for some networking and a local tour. The flyer is on our website as well as Facebook. We hope you can join us to say hello!

Finally, as I look towards the end of our fiscal year, that means it's almost time for elections! If you are interested in joining our board and getting involved, we have a few positions available. Contact me or a board member for more information or to declare your candidacy.

Stay warm, and I hope to see you at one of our upcoming events!

New website: www.sewaorn.nursingnetwork.com

Log on to our new website and check out all of the features!

- Stay up to date on all chapter events and activities
- RSVP for monthly meetings
- Review past meeting minutes and chapter newsletters
- Review bylaws and changes

Johnson & Johnson
INSTITUTE

Nurse Continuing Education Offerings

Whether you're looking to stay current on the latest practices or maintain a license or certification requirement, the **Johnson & Johnson Institute** is pleased to offer continuing education courses for nurses. The courses are co-developed through the California Board of Nursing. Because a credit for nurses is awarded when the California Board of Nursing approves a course, the courses are available in both lecture-based and online modalities. These education efforts are offered at no charge.
