Camp STARS InTown

Sharing Together As Real Support

Visiting Nurse Health System | Hospice Atlanta is pleased to announce that *The George Center for Music Therapy* will participate in *Camp STARS InTown*, March 2020.

Camp STARS InTown is a one-day bereavement workshop for both children and adults who have experienced the death of a loved one. Attendees will meet others in similar circumstances, gathered in a safe environment to share their feelings of loss. A variety of expressive activities will be conducted throughout the day designed to foster healthy grieving.

The George Center for Music Therapy will be instrumental in providing music therapy which is helpful in learning how to use positive coping skills and communicating painful feelings and emotions. Music therapy helps in the understanding and expressing feelings of anxiety and helplessness, and promoting mental and emotional health while providing a safe and neutral environment for relaxation.

Camp STARS InTown will include:

- Interactive Games and Art Project
- Music Therapy for adult small groups, according to specific loss
- Music Therapy for children small groups, according to specific age

A continental breakfast and lunch will be provided, and childcare will be available for children ages 2 and under. Registration is open to both individual adults or a family (families determine who is in their family unit). The registration fee is \$30 per individual or one family unit.

Please call 404-869-3072 for information.

Saturday
March 7, 2020
8:30am-3:30pm

at
The Cathedral of
St. Philip
2744 Peachtree Rd. NW
Atlanta, GA 30305

SPACE IS LIMITED - \$30 REGISTRATION FEE

Register online at vnhs.org or call 404.869.3072

For almost 25 years, Visiting Nurse's *Camp STARS* bereavement camps have been supporting both children and adults who have experienced the loss of a loved one. *Camp STARS InTown* is part of the Visiting Nurse | Hospice Atlanta bereavement support services program.

ABOUT US

Founded in 1948, Visiting Nurse Health System is a **nonprofit home healthcare organization**, serving people in 31 counties throughout greater Atlanta. Visiting Nurse | Hospice Atlanta serves pediatric and adult hospice patients in their homes. In addition to home healthcare, private home care and hospice services, Visiting Nurse offers long-term care at home with programs such as Community Care Service Program (CCSP), Service Options Using Resources in a Community Environment (SOURCE) and Home and Community Based Services (HCBS), providing specialized services to the Atlanta community.

Every year, we provide approximately **\$3 million in charity care** to the greater Atlanta community. We rely on the thoughtful donations of individuals, area foundations, and partner organizations. This allows us to serve hundreds of patients who lack the ability to pay for home healthcare and hospice.

VISITING NURSE
HEALTH SYSTEM

As a leader in the field and one of the most progressive home healthcare and hospice organizations in the industry, Visiting Nurse Health System provides **constant cost-effective care with the utmost compassion**. We're committed to providing care focused on helping our patients remain as independent as possible. Equally important, we have a commitment to the communities we serve, and to the extent we have resources available, to providing quality care to all who need it.
