

DETAILS:

We are looking to host a CNOR LIVE event at St. Luke's for all of Surgical Services June 6th-7th! We are looking for at least 20 individuals, who are interested in being CNOR certified so we can host this event! More than 20 is of course welcomed and encouraged!

We will set up the event here at the conference center or St. Luke's after we have at least 20 individuals signed up. You will sign up and pay for this event on your own, which is \$235 if you are not an AORN member or \$175 if you are an AORN member. However, AORN also has deals online for AORN memberships and purchasing this CNOR Live package as well! This will give you 2 days to prep with all the CNOR exam prep areas, help you with test-taking strategies, give you knowledge straight from an individual from AORN and you get 17.4 contact hours!

Then, you can set up taking your CNOR exam after and once you have passed your test you can submit proof and Aurora will reimburse you for your CNOR certification test!

ARE YOU LOOKING TO BE CNOR CERTIFIED???
