"Speak your mind even if your voice shakes".

Meet Ginger Marshall, CEO

National Hospice & Palliative Nurses Association

Welcome Ginger to her first SFBA HPNA Chapter Event - via Zoom. Ginger will be our Guest Speaker for a Q & A discussion. Virginia (Ginger) Marshall, MSN, ACNP-BC, ACHPN, FPCN has been involved in hospice and palliative care leadership for the past 15 years. Ginger loves being a nurse. Her growth from a bedside nurse on a med-surg unit to CEO of the HPNA-HPCC-HPNF enterprise has been fueled by this love of nursing and her natural curiosity. "It has always been important to me to understand the 'why' in both my clinical and leadership experiences," she said. "One of her favorite adages is "Speak your mind even if your voice shakes".

"Help! My patient is asking for aid in dying".

Meet Thalia DeWolf, RN

Bay Area End of Life Options

Grab a cup of joe, tea or whatever your fancy...We are **Live via Zoom** with Thalia DeWolf, RN, BSN, CHPN for an interactive discussion on how to respond to patients requesting California's Aid in Dying Option. Thalia will address questions that often arise as a bedside clinician, such as, "Should I be present when a patient ingests the medication?" or "How do I manage symptoms after my patient ingested the medication?". Thalia will also discuss how to navigate delicate conversations including listening and responding with confidence and compassion. We will examine case studies and active participation is encouraged.
