AACN-GRAC is “All In” Supporting our Youth with School Supplies.

Since our monthly programs will be held virtually, we would like you to choose the school, teacher, or faith organization that may be collecting supplies with your donation.

Take a picture with the recipient(s) and upload to our Facebook page—**Greater Richmond Critical Care Chapter of AACN.**

In addition to school supplies remember to include items such as hand sanitizer, disinfectant wipes, disposable gloves, face masks, and tissues.

This event is open to all nurses. Please invite your friends and co-workers.
