Each code is unique and valid for a single enrollment on the [Teachable Site](https://solheim-enterprises.teachable.com) (<https://solheim-enterprises.teachable.com>). The codes do not work for purchases made at solheimenterprises.com pertaining to physical study materials. The codes will work for any of the following published courses;

- Solheim's Online CEN Exam Review Course
- Solheim's Online TCRN Exam Review Course
- Solheim's Online CPEN Exam Review Course
- Solheim's Online Overcoming Analysis Paralysis Course
- The Solheim CE Library
- Various Practice Tests & Quizzes

If you use the code, for example, on a CEN Practice Exam, you won't be able to use that code on Solheim's Online CEN Exam Review Course

in the future. Therefore, each code is only as valuable as the product it is used to purchase.
