

Pennsylvania Society of Gastroenterology Nurses and Associates

December 30, 2020

Hello PaSGNA Members,

As of January 1, 2021, the PaSGNA Region #47 will no longer be active!

I wanted to send you all a final letter thanking you for all your dedication, passion and love for Gastroenterology! I also want to commend and thank our current and past board members, without them we could not have maintained our Charter.

Thank you Patty, Victoria, Judy, Robin, Susan, Dottie and Christina!

If you did not receive the previous emails; Nursing is changing. The way we learn and offer educational opportunities is changing (virtual and E-learning from the SGNA, ASGE and your vendors). This was demonstrated by the attendance of the virtual 2020 SGNA conference as well as the AHN IBD conference that this is the new norm, both were tremendously successful. I have attached a list of educational opportunities (this is the same attachment as in the fall). I will also encourage you to look to your own hospital systems, especially if magnet, to host local conferences. They all have educational departments to apply for contact hours and follow the ANCC guidelines. I have also attached the ABCGN tip sheet and newest revision of the AGCGN Handbook.

Scholarship winners (Sarah H. and Luanne J.) will need to contact me with their plans for using the scholarship monies.

Finally, if you want to belong to a specific region you can elect to be a member of any neighboring state. You can call the SGNA and talk with Sarah Heemstra. **The SGNA web site is back up, please do not forget to renew!**

Any questions please do not hesitate to call or email me: 412-860-4772, pamdave1@verizon.net

Have a wonderful New Year!

Fondly, Pam
