FAQs

Q: After I provide my information, what happens next?

A: You will be contacted by one of Sewa coordinator. Further, you will need to provide few information for a standard screening by FEMA which will be required to meet their compliance protocol

Q: I did not get Covid vaccination yet and I am hesitant because I may get exposure to infection!

A: If you choose to get vaccinated, you will be provided vaccination as part of healthcare support priority group

Q: If I am volunteering for a full day support, can I bring my own lunch?

A: Lunch & refreshments will be provided at the site, however you can choose to bring your lunch / snacks

Q: Can I just provide half day support instead of full day long?

A: It is preferred to provide full day support because a) FEMA has to manage many strict logistics b) Because of high demand of vaccination, but we have given option for half day (5 hrs) slots as well.

Q: I want to support but site is far away from where I live

A: If you are providing support for 3 full days in a week, an accommodation will be provided in nearby hotel with no out-of-pocket cost to you. Also, If you support half-day OR full-day for minimum of 3 days, you will be given a FEMA sponsored fixed per diem which should cover your travel cost etc.

Q: Question on waiver or liability for volunteering to administer the vaccine

A: FEMA's volunteers are covered persons who enjoy liability immunity under the PREP Act. PREP Act protects all medical professionals & no specific waiver is required.

Q: Can I socialize this information with my family and friends?

A: Yes, in-fact this will help reach out to more similar interested volunteers & communities to help with this great humanitarian cause.
