# INTEGRATIVE PAIN MANAGEMENT CONFERENCE **VIRTUAL**

**Friday, May 7, 2021**

**Explore** both pharmacologic and non-pharmacologic approaches to pain management and learn ways to integrate them into your practice.

**Hear** from national integrative pain management experts.

**Network** with colleagues across disciplines.

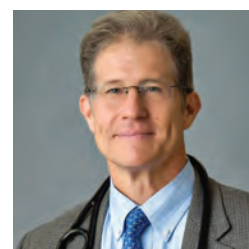

**Learn** how the UVM Medical Center Comprehensive Pain Program is changing the paradigm for treating patients with chronic pain.

**Experience** integrative therapies before you refer.

**Earn** continuing medical education credit.

**Access** conference sessions for two years.
