Dr. Justin Famoso specializes in radiation oncology treating a wide variety of malignant and benign diseases with innovative radiation technologies. He promotes continuity of care emphasizing a multidisciplinary approach in his practice.

Dr. Famoso has extensive training with modern radiation treatment technologies and techniques including external beam radiation therapy, IMRT, SBRT and brachytherapy.

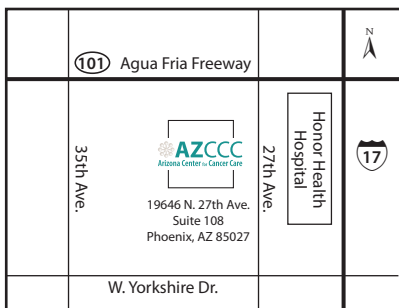

Dr. Famoso joined Arizona Center for Cancer Care in 2019. He earned a Bachelor of Science degree from West Virginia University, with a double major in Biology and Chemistry. He continued at West Virginia University, earning his Medical Doctorate. He completed his internship at the University of Pittsburgh Medical Center. His radiation oncology residency training was at the University of Arizona where he also served as chief resident.

Dr. Famoso enjoys golfing, skiing, playing piano, traveling and viticulture. Additionally he is a passionate West Virginia University Mountaineers sports fan.
