

AMBASSADORS FOR VACCINATIONS

WHY SHOULD I GET A COVID-19 VACCINE?

- ✓ It is safe.
- ✓ It is free everywhere in North Carolina for those that are eligible.
- ✓ It can save your life.
- ✓ It lowers your risk of getting the COVID-19 virus.
- ✓ It decreases length of time you are contagious.
- ✓ It protects your family members from COVID-19 virus.
- ✓ It will help to bring an end to the pandemic.

HOW DO I GET THE VACCINE?

Do Not Wait... Call Today! No One will call you.

- You can find a vaccine near you by calling North Carolina's COVID-19 Vaccine Help Center at 1-888-675-4567.
- You can also find out when and where you can get the vaccine at YourSpotYourShot.nc.gov.

[Message from NCDHHS] COVID vaccination now open to all adults 16+ in NC.

YOU HAVE A
SPOT. | TAKE YOUR
SHOT.
