LIVE WEBINAR

Skin Integrity & Pressure Injury Prevention

Date: May 12, 2021

Time: 10:00 AM – 11:30 AM

Presenters:

Pamela Jakubek MSN, RN, CWOCN

Clinical Nurse Specialist at Fox Chase Cancer Center in Philadelphia, PA.

Attendees will have the opportunity to increase their knowledge of cutting-edge information on pressure injury prevention and management. Additionally, as we have learned during the pandemic, COVID-19 is causing specific skin integrity compromise and treatment information about this will be discussed during the webinar.

PCHC's Nursing Department has been working with the Office of Developmental Programs to collect data on the incidence and treatment of pressure injuries across the southeast region. All provider agency nurses which have been involved in that process are invited to attend this interesting and informative webinar.

Once you register with PCHC you will be sent a link to register for the Zoom Webinar

To register for the above training, please fill out the form below and fax it to 215-599-5180, or register on our website at www.pchc.org.
