## Kristen M. Cline

BSN RN CEN CPEN TCRN CFRN CTRN CCRN

Kristen currently works as a travel nurse on crisis assignments for one of the Country's largest travel nursing agencies. Kristen has over 13 years of nursing experience in the specialties of medical-surgical, trauma, emergency, intensive care, and critical care transport and has worked as a bedside nurse, charge nurse, education coordinator, and flight nurse. Kristen is also a freelance Legal Nurse Consultant and expert witness who has testified and consulted on cases nationwide.

Kristen is considered a clinical subject matter expert in emergency nursing and has served as conference faculty for nursing conferences around the Country. Her lectures have also been featured as online webinars from the Emergency Nurses Association (ENA). She has been published in the Journal of Emergency Nursing and Critical Care Nurse and serves on the editorial review board of the Air Medical Journal. Kristen was also a Primary Contributing Author for the 8th edition of the Trauma Nursing Core Course (TNCC) Provider Manual. She is currently serving her third year on the ENA Board of Directors and has served on and chaired committees at the State and National level. In 2015, Kristen was recognized by the Board of Certification for Emergency Nursing (BCEN) as Distinguished Certified Pediatric Emergency Nurse (CPEN) of the year.

Kristen is the owner of the nursing blog 'The Trauma Informed Nurse,' which uses social media to connect nurses from around the Country and provide self-care and mental health resources tailored to the life of shift workers. Her goal is to remove the stigma of mental health care and remove the barriers to practical self-care. She can be found on Facebook and Instagram @tramainformednurse and Twitter @informed\_nurse.

16.25 Contact Hours May Be Earned. Activity Code: 200601-OR-CR-2

This nursing continuing professional development activity was approved by the Emergency Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Since its release in 2003, Solheim's CEN® Review Course has been taught hundreds of times to thousands of students all over the world. With countless success stories, the course has played a critical role in the advancement and development of the emergency nursing profession. Through a blend of lectures, graphics, videos, and challenge questions, Solheim's Certified Emergency Nurse (CEN®) Review Course covers many of the areas that are tested on the BCEN's CEN® examination. To ensure its continued effectiveness the course, which follows BCEN's guidelines, is updated regularly. Solheim Enterprises has become the go-to source for nurses when preparing to sit for BCEN's Exams.

Visit us on Facebook, Instagram, and YouTube for detailed testimonials, challenge questions, and exam advice.
