

## Vote in the Kentucky Nurses Association 2021 Election

*Your voice matters!*

It's hard to believe that the Kentucky Nurses Association (KNA) election will take place in a matter of days! All KNA members will receive ballots on ***Sunday, August 1***. As this friendly competition gets going, help us meet and beat our goal of 20% participation by encouraging your fellow chapter members to vote.

We're thrilled to let you know that this year, we will host ***Second Annual KNA Chapter Voting Challenge***. Here's how it will work:

- We will include a field in the ballot that will ask for your county/chapter and
- After the election, the chapter that has the highest percentage of members voting will win a pizza party and a trophy.

Visit our [website](#) today and check out our slate of candidates. This friendly competition could go down to the wire – you won't want to miss a minute of the excitement!
