

OSTOMY CARE *has met its* APP

**The NEW ConvaTec Ostomy
Nurse Solutions App**
*a fast and easy way to help you
select products for your patients*

Introducing ConvaTec's NEW Ostomy Nurse Solutions App

The new ConvaTec Ostomy Nurse Solutions App is a fast and easy way to help you select the right products for patients, order and ship samples quickly, and sign patients up for the me+™ support program, all without leaving the bedside.

KEY FEATURES

Nurse Login

Personalized login for secure access to product portfolio even if you're offline

Product Selector

Powered by the ConvaTec Ostomy Algorithm, the product selector helps find the right products for your patients

Ship Samples

Add your selected ostomy products to your cart and have them shipped directly to your patients.

Saved Kits

Customize and save product kits you use more commonly for fast and easy access

me+™ Virtual Support

Schedule telehealth appointments to help you with challenging ostomy situations

Enroll Patients in me+™

Connect your patients to the me+™ support program with just a few simple taps

Solutions App Today**

SCAN ME

✔ Select Type of Stoma and Surgery

Backed by the trusted ConvaTec Ostomy Solutions Algorithm, answer a few questions about your patient.

✔ View Available Ostomy Solutions

Based upon your answers, discover available options that may work for your patient.

✔ Order Products For Your Patient

Add items to your cart and check out to ship sample products to your patient's door.

✔ Save Kits You Use More Often

Saved kits help you quickly re-order preferred products. Custom name the kits that fit your needs.

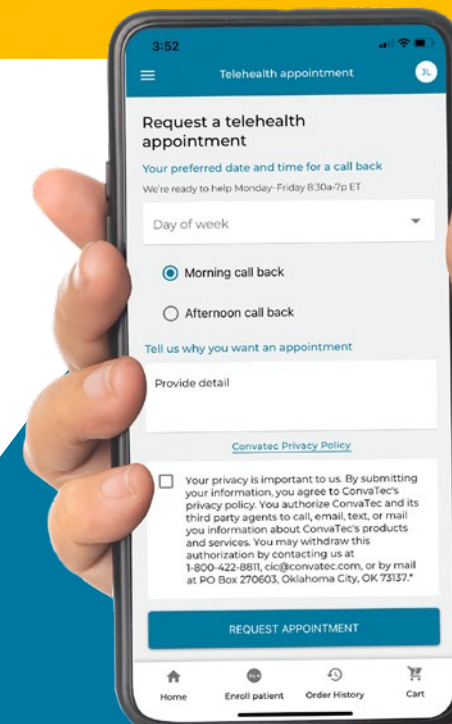

Your job is difficult enough, *so we've made this simple*

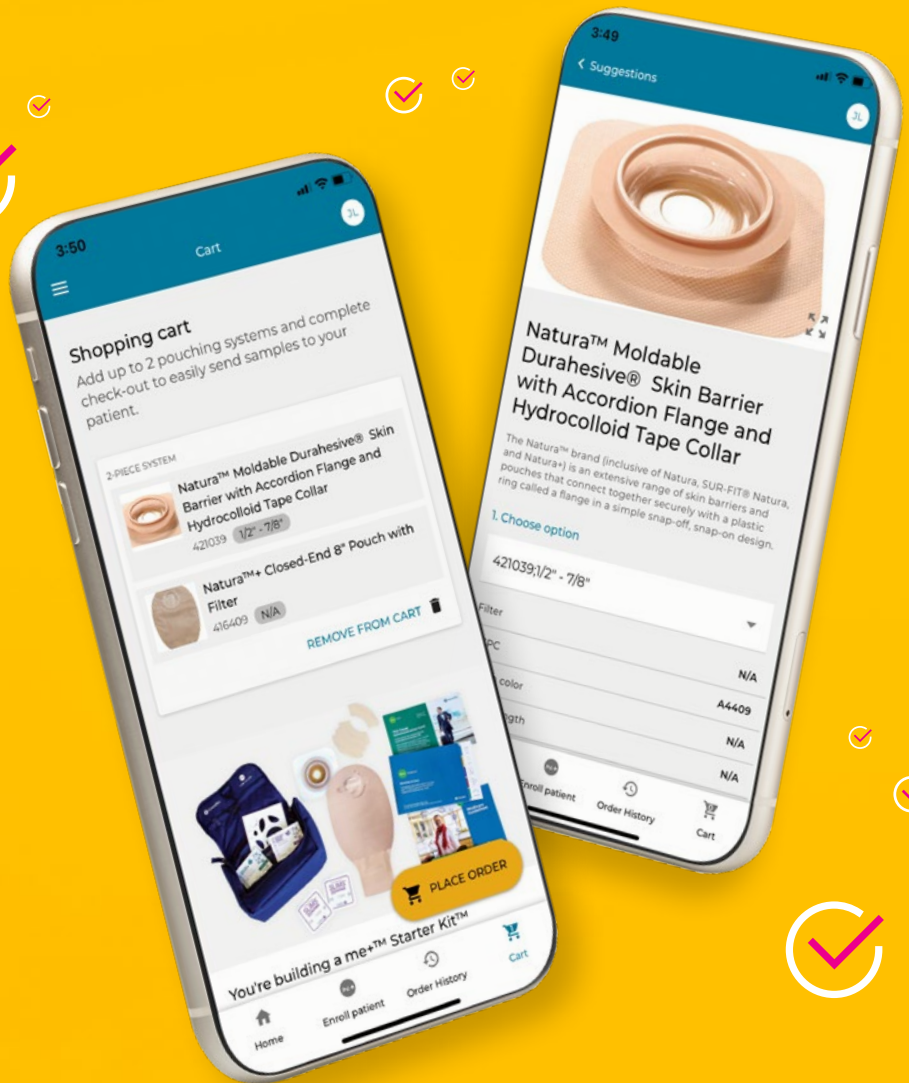

Use the Ostomy Nurse Solutions App to search our portfolio of pouching systems and select the best combination of performance and features to fit your patient's needs. Choose from a range of hydrocolloid adhesives, ConvaTec Moldable Technology™, accordion barriers and convex options designed to address various ostomy challenges.

Enroll patients with a few easy taps

The me+™ program surrounds your patients with the education, support and resources they need. ConvaTec is the only ostomy supplier that offers virtual support with free telehealth appointments.
