

The CSRA Chapter AACN Presents:

Integration of Sexual Orientation & Gender Identity (SOGI) Data Collection in High Acuity Settings

Patients in acute and critical care environments are often the most vulnerable to experience poor outcomes. How does sexual orientation and gender identity impact this vulnerability? Join us as we discuss how LGBT+ disparities are impacted by the collection of SOGI data and learn evidence-based strategies to integrate the collection of SOGI data into current demographic documentation.

Presented virtually via Zoom

Monday, October 25th 6p-7p

Stay tuned for access details!
