PhD, RN, FAAN, FCCP

Dr. Brooks is a Healthcare Quality Consultant who retired in 2018 from Indiana University Health, where she was System Vice President of Quality & Safety. In this role, she was responsible for oversight of quality and patient safety in a multi-hospital, integrated system as well as infection prevention across the state. Her areas of oversight included performance improvement, external quality reporting, patient safety, national databases, and ongoing development of the governance board's role in quality and patient safety.
