Program Description

CCRN is a specialty certification for nurses who provide direct care to acutely/critically ill patients. This 2-day course provides a review of conditions affecting the major body systems, and associated patient management. Course is designed to prepare critical care nurses to take the certification exam.

The CCRN exam fee for members of the American Association of Critical Care Nurses (AACN) is $245 and the non-member fee is $360. If you are interested in becoming an AACN member, please contact us at https://criticalcaremiami.nursingnetwork.com

Program Objectives

Upon completion of the course the participant will:
1. Discuss functional anatomy, pathophysiology, and physical assessment techniques of major body systems.
2. Discuss pertinent aspects of pathological conditions and patient management of major body systems.
3. Review professional Issues related to critical care.

Contact Hours

GMAC will provide 14 Continuing Nursing Education Contact Hours for the 2-day program approved by Florida Board of Nursing. Provider # 50-88
Please provide your license number in order to be granted contact hours.
