We are excited to welcome you to San Diego for PANAC's Winter Seminar. San Diego is known for its beaches, parks, and warm climate. When not enjoying the expert speakers you can visit the renowned San Diego Zoo, as well as numerous art galleries, artist studios, museums and gardens, or the USS Midway, an aircraft-carrier-turned-museum.

For those not able to attend in person, PANAC is offering this seminar via Zoom as well as in person for the first time.

PANAC continues to be green offering the convenience of online registration and accessibility of speaker handouts (as provided by speaker), online post-conference evaluations, and downloadable CE certificates to print or save.

Bring a colleague, friend, or family member and join PANAC for a weekend of networking and learning in San Diego.

Michael Braden, MSN, RN, CPAN, CAPA
PANAC Education Chair
