

Topic: Introduction to Nursing Professional Development

Date: March 30, 2022

Meeting time: 5:30pm – 6:00pm

Program Time: 6:00 pm – 7:00 pm

Location: Virtual (Zoom link provided with registration)

Overview

This activity will provide learners with an understanding of the roles and responsibilities, including the Scope and Standards of Nursing Professional Development (NPD). NPD practitioners are considered influencers in many aspects of our work. We collaborate and have a seat in the interprofessional practice and learning environments settings and engage with our stakeholders, nursing, the specialty, and the entire health care.

Nursing Outcome Statement

By the end of this activity, 80% of Registered Nurses will have increased knowledge as evidenced by stating a practice change related to understanding of the different roles and responsibilities of the nursing professional development practitioners as reflected on the post-activity evaluation tool.
