2022 NPANA VIRTUAL SPRING FLING

SATURDAY APRIL 30, 2022

Objectives and Goals

- Establish networking relationships with colleagues to exchange ideas and best practices on current topics in nursing.
- Share advances in practice, education, research, and quality management.
- Gain knowledge of evidence based practices and discuss strategic application of those practices within the perianesthesia field.
- Support participants in maximizing their educational experience and professional development.

80% of attendees will report that the information presented either validates or enhances their perianesthesia nursing practice.
