

Candidate #1			Candidate #2		
1	Name:	Jill Smith			Serena Doyle
2	Credentials:	BSN, RN-BC, CCRN-CMC, PCCN			BSN, RN, CCRN, CNRN, SCRN
3	Current National AACN member? (yes or no)	yes			Yes
4	Current GRAFL-AACN member? (yes or no)	yes			Yes
5	Where do you currently work?	ICU at Unity Hospital			I just ended my contract with travel nursing for Cross Country Nurses. I am in the process of reapplying to the Neuromedicine ICU at Strong Memorial Hospital where I worked prior to leaving to travel.
6	What is your current position?	Staff IV RN			Staff Nurse
7	How long have you maintained your current position or role?	I have worked there for 13 years			7 years
8	Why are you interested in this role?	I am interested in this role because I sincerely enjoy education and professional development, and would like to have the opportunity to do more. I attended NTI virtually this past year, and hope to go in person at some point. I am excited to learn and bring new knowledge and information to my peers. As one of the more senior RNs on my unit, I feel like it is important to work on my own development, to enrich my career, and to be a resource for my colleagues. I would like to become more involved, as well as meet people and make connections with others at GRAFL and in our nursing community.			I am interested in the role of secretary for the GRAFL chapter of AACN because I want to volunteer to serve on a board at the local level. I support the initiative to have more nurses serving on boards at the local and national level, to better represent our knowledge and skill set of complex issues occurring in the world today. I am excited to see how a local chapter operates. Being a secretary would help me to gain experience and learn the workings of the chapter.
9	What are your goals if selected to this role?	My goals would be just as mentioned above, to learn more about GRAFL and participate in the planning and coordination of events and educational experiences.			Become more involved in GRAFL at the local level. To serve as a presenter for GRAFL at least once, improving presentation skills. Learn about serving on a board as a nurse, and work to maintain accurate records for GRAFL.

10	What qualities and experience can you bring to this role?	As far as qualities and experience that I can bring to the role, I feel I am very organized and focused. I am reasonably proficient with computer and online communication, email, and zoom, etc. I am good at managing situations, and making decisions. I am a hard worker, and complete tasks with care and attention to detail. I feel like I would be an asset to the GRAFL board.	I am very detail oriented and have experience communicating with large groups of people through service as an Interim Nurse Manager through the beginning of the COVID-19 pandemic. That experience taught me the value of clear and concise communication. I also am very involved in and passionate about AACN on the national level. I currently serve as an Ambassador for AACN national and volunteer as a peer reviewer for AACN's journal, Critical Care Nurse.
