## About Us:

**The Greater Akron Area Chapter (GAAC)** is a three-time award-winning local chapter of the American Association of Critical-Care Nurses established in October 2001. AACN-GAAC meets every other month (odd) between September and May on the second Tuesday of the month. The location varies – sometimes we are at a hospital, sometimes we go on “field trips” to local wineries or restaurants. At every meeting there is a roundtable discussion about current trends and concerns, a short business meeting, an educational program (usually with CE awarded) and a meal sponsored by one or more vendors (yes, there are usually “freebies” too!).

## Membership:

- **\$20/year** (includes all programs/dinners)
- **\$10/year** Retirees and Students
- National AACN membership is **REQUIRED**
- Guests are welcome can attend a meeting/dinner for \$15 each (students \$10)

As a member of AACN-GAAC your \$20 annual dues allow you free admission to these evening dinner programs on a variety of topics relevant to critical care. Because of our generous sponsors, members incur no charge for dinners. Guests are encouraged and may attend a meeting/program for \$15 each; if they decide to join, the \$15 will be applied to their membership. Retired nurses and student nurses have discounted dues of \$10 annually.

## Liaisons:

We will be discussing the Liaison position, description and responsibilities at the meeting – bring your ideas!
