Health Care Professionals  
will be awarded.*

The University of Texas Arlington (UTA), The University of Texas Health Science Center at Houston (UTHSC), and The University of Texas Southwestern Medical Center (UTSW) are pleased to announce the Second Annual Texas Health Informatics Alliance Conference (THIAC). This conference will bring together the Health Informatics community in Texas, will provide an opportunity to share, collaborate, and showcase the amazing work in Health Informatics, and will feature presentations and keynote speakers from our state. This year, it will be hosted as an in-person conference on Friday, September 9 from 8 a.m. to 5 p.m. CST at UT at Arlington in Arlington, Texas.

**REGISTER NOW** [go.uth.edu/THIA](https://go.uth.edu/THIA)  
**CALL FOR ABSTRACT** [go.uth.edu/Abstract](https://go.uth.edu/Abstract)

*The Texas Health Informatics Alliance (THIA) is a collective of individuals and groups throughout the state of Texas. THIA aims to build informatics ties across Texas through partnership in the following areas: Research, Data, Policy, Education, and Workforce Development.*

### Committee Members:

Marion J. Ball, EdD, FACMI, FAAN, FIAHSI, FMLA, FAHIMA, FLHIMSS, FCHIME (UTA)  
Susan H. Fenton, PhD, RHIA, FAMIA (UTHealth SBMI)  
Christoph U. Lehmann, MD, FAAP, FACMI, FIAHSI (UTSW)  
Gabriela Mustata Wilson, PhD, MSc, FHIMSS, SNAI, FIAHSI (UTA)
