

## Spring is in the Air

**March, 2015**  
**Volume 3, Issue 1**

Happy Spring  
OHN Nurses Week  
From the President's Desk  
FYI...  
Upcoming Events

*"What do you get if you have strep throat on Friday? Saturday night fever."*

## Occupational Health Nurses Week

OHN Week 2015 will begin, April 19 through April 25, 2015. While most people recognize nurses in a clinical setting, many are unaware of the nurses who work to promote and protect the health of workers. Be sure to celebrate at your work place. Visit the AAOHN website to print a copy of the 2015 OHN Week Poster.

## FROM THE PRESIDENT'S DESK

As we've explored the possibilities of designing a webpage, we have chosen to represent our chapter on the *Nursing Network*. With the popularity of social media, this network is a great way to stay connected and may also help us attract new members. I would like to see all members utilize this site; if anyone has any problems accessing the web site please notify JoAnn Naples, Secretary, at [joann\\_naples@luhs.org](mailto:joann_naples@luhs.org)

I appreciate the effort everyone makes to attend our meetings with their busy schedules. It is important that we keep up with our attendance and recruit new members to ensure the viability of our chapter. I'm looking forward to hearing from our members who will be attending the AAOHN National Conference held in Boston on March 23, 2015.

Stay tuned for updates on this year's State Conference which our chapter will be hosting. It's never too early to start collecting items to use for our raffle prizes. Any donations for the raffle prizes are appreciated.

*FYI... Thanks to AAOHN, we can save up to 30% on UPS shipping with exclusive access to the UPS Savings program. You can sign up at the AAOHN web site.*

### UPCOMING EVENTS
