Barbara Blakeney, MS, RN, FNAP spent her clinical career providing care in poor and undeserved communities from her time as a VISTA Volunteer, a primary care nurse practitioner at Boston City Hospital, to her time as the Director of Health Services for the Homeless Services Division of the Boston Public Health Commission. Barbara has provided care as a nurse practitioner, leader, program developer and administrator for a wide array of clinical services. Concurrently with her clinical practice Barbara has been a tireless member of ANA Massachusetts, and The American Nurses Association. Barbara has served on multiple boards of directors rising to President of the ANA, and other leadership positions on various nursing boards. Currently Barbara serves as the President of the Community Day Center in Waltham Mass, the Vice-Chair of the Board of Boston Health Care for the Homeless and as a Commissioner for the Mass. Health Policy Commission.

We hope your career in nursing will bring you lifelong joy. We respect your education may have been challenged by the COVID-19 pandemic, but your future is bright. We hope today's program will give you insight into the many possibilities ahead. Nursing is not easy; take care of yourselves as you would your patients.

The New Hampshire Nurses Association wishes you well and will support you throughout your endeavor.

See the full pamphlet on our website with links to our sponsors and their current career opportunities.
