

Target Audience

The target audience may include but is not limited to registered nurses, advanced practice nurses, licensed practical nurses, technicians, nursing assistants, and physicians. The target audience may also include other health care providers who would increase their knowledge and/or improve their skill by attending this seminar.

Program Goals

1. To present current clinical data and new findings to enhance nursing practice.
2. To provide an opportunity for health care professionals to interact with colleagues and share ideas.

Accreditation Statement

Provider approved by the California Board of Registered Nursing, Provider Number CEP17459, for 7.5 contact hours.
