

ENA MVCC Education Session & Meeting - June 6, 2023 @ 6:30pm

Building A 6th floor conference room

Education provided by SHED's own, Dr. Ryan Rose!

Topic: Emergency Medicine in the Wilderness

Offering 1 CEU - Virtual participation available!

Dr. Rose's adventures with medicine began when he joined ski patrol in 2003 while studying engineering. Skin patrol inspired him to apply to medical school. Dr. Rose has been practicing emergency medicine in Salem since 2016. He is also an AWLS (advanced wilderness life support) certified instructor. He's taught multiple wilderness medicine classes and has led wilderness medicine trips, most recently to Guatemala! Dr. Rose spends much of his time mountain biking and hiking with his wife, Ali (SHED's ENP).

Everyone is welcome! - Nurses, providers, EMS, scribes, techs, clerks!

Themed snacks, treats, and drinks will be available!
