

## MNA recognizes **Mary Kay Demarco** in honor of Nurses Month

### **MARY KAY DEMARCO PHD, RN, CNE**

Dr. Mary Kay Demarco is the Nursing Program Director at the Community College of Baltimore County Essex Campus. Her career as an academic educator spans 30 years.

Dr. Demarco was the President of the MNA from 2017 through 2019. She chaired the MNA Legislative Committee for several years and has presented on advocacy and legislative issues for schools of nursing and registered nurse groups across Maryland. Her current research interests involve academic faculty mentoring and nursing student retention.

Dr. Demarco holds an MSN from the University of Maryland, and a Ph.D. in Public Policy from UMBC.
