# School Nursing Standards of Practice and Certification Review

One strong, united voice for nurses and patients.

## Learning Outcome:

The participant will be able to discuss the role of the school nurse and the legal implications.

## Objectives:

- Identify general physical needs of the school aged child.
- Identify general psychosocial needs of the school aged child.
- Identify the appropriate nursing assessments related to a systems review of the school aged child.
- Discuss the school nurse's role in management of emergency care of the school aged child.
- Identify common communicable diseases of the school aged child.
- Discuss the role of the school nurse in health promotion and disease prevention.
- Discuss legal considerations related to the role of the school nurse.
- Discuss professional issues as they relate to the practice of school nursing.

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been awarded **12.0 CHs** through the New York State Nurses Association Accredited Provider Unit.

The New York State Nurses Association is accredited by the International Accreditors for Continuing Education and Training (IACET) and offers IACET CEUs for its learning events that comply with the ANSI/IACET Continuing Education and Training Standard. IACET is recognized internationally as a standard development organization and accrediting body that promotes quality of continuing education and training.

The New York State Nurses Association is authorized by IACET to offer **1.2 CEUs** for this program.

### Declaration of Vested Interest: None

NYSNA wishes to disclose that no commercial support was received.

NYSNA Program Planners, Presenters, and Content Experts declare that they have no financial relationship with an ineligible company.

**IMPORTANT:** In order to receive CHs/CEUs, all participants are required to attend the entire workshop, complete all in-session program assignments, complete an evaluation form, complete and return a post-program SurveyMonkey® questionnaire and/or complete and return a post-program checklist, where applicable. **You will need a personal computer and internet access to attend.**

## Faculty: Nicole Plante, BSN, RN, NBCSN

Nicole Plante, BSN, RN, NBCSN is a seasoned practitioner with over six years of experience working both in elementary and middle school in a large school district. Having interacted with hundreds of students, Ms. Plante has a great deal of experience providing care and service to this population. This involvement has increased her skill and nursing actions as focused on an individual student or family, the school community or group of students or their families where there is continuing professional responsibility and accountability for the outcomes of these actions.
