

School Nurse Seminar Series

***February 20, 2024
6-7PM EST***

PLANNING FOR SUCCESS: AUTISM IN THE SCHOOL NURSE'S OFFICE

Join staff from the Penn State Health Pediatric Developmental Medicine Team for a virtual webinar on Planning for Success: Autism in the School Nurse's Office. This session will allow participants to:

- Review how to control variables in the nurse's office that will lead to a positive experience for the student with autism.
- Be aware of the range of symptoms, abilities and behaviors that may be encountered while working with children and adolescents who have autism.
