President's message

In like a lion, out like a lamb! I always love this time of year! Spring brings new life to our flowers and gardens much like going to Expo breathes new life and excitement into our perioperative practices. I always come home from Expo feeling like I could tackle the world, even though I'm exhausted from all the learning and networking! The chapter sent 13 delegates to the National Conference and Expo in Nashville at the beginning of the month. It was a great conference with everyone taking away something different. One of the highlights was getting to attend the presentation from our very own, Louann Huffman! She spoke on our chapter's journey to have smoke legislation passed in the state of Missouri. Thanks to her efforts and many in our chapter, we can proudly say that we are the 14th state to pass smoke legislation! Speaking to a large group on a national/international level can be super intimidating and Louann knocked it out of the park and did an awesome job!! I know Louann was nervous but, as her boss, colleague, and friend, I couldn't have been prouder of her! March 19th is also time to celebrate National Certified Nurses Day! I want to thank each of you that have taken the time to achieve your CNOR! This certification shows patients that you, have not only invested in yourself and your profession, but also in your commitment to keeping them safe! If you haven't considered getting certified, please consider it. It can be not only personally rewarding but also comforting to your patients!

Spring is going to fly by. We have several events planned before our chapter year ends on May 14th at our Perioperative Banquet. Be sure to check out Nursing Network and sign up to attend these events. We'd love to see you there!

Respectfully yours,
Libby Nasche, MSN, RN, CNOR
President 2023-2024

March Board meeting Minutes

Attendees: Tracy, Libby, Louann, Cindy, Janessa, Marie, Megan, Whitney, Tim and Valerie. Megan gave the financial report update and is still waiting on transferring the CD over to the new bank. If you went to Expo you can send her your expense report and receipts and still can Venmo or cut you a check for reimbursement. Nominating had an opening for the secretary position. After meeting with nationals at Expo it was brought up to eliminate the VP position and will need a special vote to do so. The VP duties would be given to the president elect except for policies that will be taken over by the board as a whole. Scholarship: Tessa Martin has applied for the member going back to school. No other applicants for any other scholarship. April 27th at the Shriners in Shawnee please talk up at work and with family. Games start at 7, 5 games with a break after 3. We have 2 vendors sponsoring the event and providing snacks. There will be gift baskets and a 50/50 raffle. Please see Libby if you would like to donate a basket. 2 delegates missed the last required session for their flight out. Board decided that this has happened in the past with no consequences. There will be no penalty this year but the willingness to go as a delegate will include all sessions that need to be attended, flights will need to be adjusted accordingly and what penalty/ies will be involved. Please nominate a Periop Nurse of the Year.. Sign up and pay for the May banquet headcount needs to be in 10 days prior; 45\$ venmo or check to Cindy Davis. Board is sending money to national foundation in memory of Betty Davies a past president of our chapter and a pioneer for our chapter. She worked at NKC and Children's Mercy as an RNFA and educator. She passed away March 5th. A note will be sent to her family of our donation. Bravo to our Louann Huffman for her presentation at Expo about smoke legislation with Missouri. FYI there is a new AORN chapter in Kansas, outside of Overland Park formed by 2 RNs from Menorah and Overland Park, chapter 2602, please note that we are 2601 Greater Kansas City and Springfield has a chapter of one member. April 18th is our next meeting in person; vote for bylaws (published in the February newsletter) and changing committees.

Meet the Candidates

Marie Staples, BSN, RN, CNOR

I am willing to serve as your next ***President Elect***. I have been a member of AORN since 1998 first in the Northland Chapter and moved to the Greater Kansas City Chapter once it closed. I have served 2 terms on the Nominating Committee and on the Board of Directors. I currently work at North Kansas City Hospital at the Service Line Supervisor for Vascular and General Surgery. I am excited to see our chapter grow stronger by engaging our members both in the perioperative profession and in our professional organization. Together we can help each other prepare for the ever-changing healthcare challenges we face.

Trina Cole RN, MSN, BSN, SANE-A, FACHE— Vice President

Trina received a dual Masters Degree in Leadership and Hospital Systems and a Bachelor of Science in Nursing degree from The University of Missouri-Columbia. She is pursuing a DNP in leadership. She is the City Collector and Treasurer of the City of Lake Lotawana for the past 12 years. She is currently the Administrator of St Luke's Surgicenter in Lee's Summit. She has over 25 years of leadership experience from Director level to CNO. She entered the outpatient surgery arena in 2018 as the Director of Nursing at SLE ASC.

She has worked on multiple committees from the local to National level. She has been in advocacy since 2012 and has visited DC on multiple occasions. She has been a member of AORN since 2021. She was inducted in the Who's Who of National Nursing professionals in 2014. She was honored with the award of Outstanding Leadership for the Missouri ENA in 2016. In 2021, she was recognized as an Administrator to Know from Beckers Healthcare. She is married to John for 17 years. She has a son that resides in Colorado Springs and a daughter in North KC. She has two grandchildren she enjoys spending any spare time with. She is an avid animal lover and LOVES her two yorkies Jack and JoJo. She enjoys the Chiefs, camping, crafts, entertaining, wine, and living the lake life.

Mary Thun, BSN, RN, CNOR— Secretary

I have been a registered nurse since 1994, and worked as an operating room nurse since 1996. I have worked at St. Joseph Medical Center for 27 years, and been a member of AORN since 1997. I have been more active with the chapter for the last two years by attending meetings, being on committees, being a co-chair for the Vendor Fair and Conference this year. I have attended the last two national conferences. I always taken notes for the meetings I have attended, not realizing we did not have a person as secretary. I wish to be that person for the next two years and become a pivotal member of our AORN chapter. I understand the duties and responsibilities of this position. I intend to do this job to the best of my abilities, and ask for help if I have any questions.

Meet the Candidates

Board of Directors

Teresa Kuehn, RN, RNFA

I am an RNFA at OPRMC. I mostly scrub rather than circulate in the OR currently. I work PRN so I have a little spare time to help out in our chapter. I am currently sewing OR hats for sale, I have recently created a Etsy store that keeps me busy. I have 4 cats and a husband who is a pilot that also keeps me busy. I have been out of work for a few months due to surgery, but I am going back on April 1st. I have started to get our facility a go clear award and I will continue to work on that when I return. I will also continue to be available for our chapter functions.

Pam Bays, BSN, RN, CNOR, CPAN

My Nursing career started in the ICU for 9 yrs. and ventured over to the PACU for 15 yrs where I became a member of ASPAN and obtained my CPAN certification. I began to become more interested in the specifics of the OR so I could have a better understanding of why my patients complained of pain or soreness from surgery and positioning. I was given the opportunity to cross train to the OR as a circulator in which I then floated between PACU RN to Circulator for 10yrs. This brought me to appreciate the challenges of working and caring for patients in the OR. I then took a chance on leading this department and the CVOR as their director and shortly thereafter added the Main OR. In order to increase my knowledge and networking, I joined AORN and our local chapter in 2021 and obtained my CNOR. I feel becoming a member of AORN and obtaining my CNOR gives me a resource to support decisions in the OR, credibility with staff and the opportunity to network with others around the metro area. Becoming a representative of the Board of our local AORN Chapter, I hope to bring excitement and growth to the chapter and to its membership, guide the chapter to new activities and support the mission. I feel my many years of Perioperative nursing would be beneficial in this role.

Jocelyn Chalquist, BSN, RN, CNOR

Received her prelicensure nursing education at Saint Luke's Hospital School of Nursing, Kansas City, Missouri, and her degree from Graceland University, Lamoni, Iowa. She served as the clinical nurse educator at Saint Luke's Hospital for more than 10 years until 2012 and then went on to serve in the same role at St Louis Children's Hospital, for two years. After accepting a position at Aurora Medical Center – Kenosha in Wisconsin, she was the clinical educator for more than three years for endoscopy, wound care, outpatient infusion, pain management, and ambulatory surgery as well as the perioperative and perianesthesia specialties. For the past six years she has worked at AORN as a clinical editor for the *AORN Journal* and she was promoted to senior clinical editor in 2023. In addition to holding a lifetime membership with AORN, Jocelyn is a member of Sigma Theta Tau, International and ASPAN. She is looking forward to spending additional time with her family in the Kansas City area in the next year and participating in the activities of this chapter.
