7am - 5pm**

The Mount Sinai Hospital
Annenberg Building, Stern Auditorium
1468 Madison Avenue.,
New York, NY 10029

AACN New York City Chapter

AACN New York City Chapter President's Message

Welcome current and prospective members of the New York City Chapter of AACN for the year 2024 -2025.

The Chapter's Board of Directors and myself encourage all critical and progressive care nurses to become a member of AACN-a leading international association for critical care & progressive care nurses. AACN is the largest specialty nursing organization that has been serving the needs of more than 500,000 nurses since 1969.

Mission: Patients and their families rely on nurses when they are most vulnerable. Acute and critical care nurses rely on AACN for expert knowledge and the influence to fulfill their promise to patients and their families. AACN drives excellence because nothing less is acceptable.

Vision: AACN is dedicated to creating a healthcare system driven by the needs of patients and families where acute and critical care nurses make their optimal contribution.

As President of the NYC Chapter, it is my goal to increase membership in the NYC area by offering evening programs and networking opportunities in the different NYC hospitals. We will continue to encourage nurses to use their voices to improve and strengthen our profession and identify healthcare issues that matter most to our patients and to obtain certification in their clinical expertise.

Elka Riley, MSN, RN, FNP
President, AACN New York City Chapter
