

Karissa Gladen, DNP, APRN, FNP-C, CWOCN, OCN

Dr. Karissa Gladen has been working in nursing since 2012. She graduated with her BSN from South Dakota State University and her DNP from North Dakota State University. She is a certified wound, ostomy, continence nurse (CWOCN) and an oncology certified nurse (OCN).

She currently works as an APRN in hematology/oncology at the Essentia Health Cancer Clinic. She has a husband and three sons, and their family enjoys spending time outside hiking and camping.
