6-7PM EST

**School Nurse
Seminar Series**

ASTHMA IN STUDENTS

Join Jodie Stabinski, CRNP from the Penn State Health Pediatric Pulmonary Team for a virtual webinar on Asthma in Students. This session will also allow participants to:

- Underscore the importance of the school nurse in the management of children with asthma
- Discuss the SMART guidelines for asthma management
- Discuss management of a student with an acute asthma exacerbation as a school nurse considering they may be the only medical provider present
