Occupational Therapist
The Johns Hopkins Hospital

Tracy Wilson DNP, ACNP
Acute Care Nurse Practitioner
Medical Intensive Care Unit
University of Maryland Medical Center

Critical Care Nursing: The Future is Now...

The goal of the Chesapeake Bay Chapter is to offer high quality, low cost educational opportunities to area critical care and progressive care nurses. Check out our brochure and see what awaits you at the conference:

- Keynote Address from past AACN President Clareen Wiencek
- Concurrent sessions featuring clinical as well as professional development topics
- "Hands on" Intra-aortic balloon pump lab session available on Wednesday March 21st
- Exhibits featuring the latest in products and equipment

PROGRAM DESCRIPTION:

The Chesapeake Bay Chapter-American Association of Critical Care Nurses presents the 29th Annual Symposium: Critical Care Nursing, The Future is Now! This two day conference includes a variety of topics related to critical and progressive care nursing and focuses on advances in clinical care, complex patient assessments, and updates in patient management.

PROGRAM OBJECTIVES:

Attendance at this conference will enable the participant to:

- Evaluate the implications of professional practice issues affecting critical care nurses
- Integrate the most current research findings into the management of critically ill patients
- Discuss recent technological advances and their impact on nursing practice

CE STATEMENT:

This activity has been submitted to the American Association of Critical-Care Nurses for approval to award contact hours. The American Association of Critical-Care Nurses is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Research and Evidenced Based Practice/Performance Improvement Posters

Do you have a unique or best practice that you have implemented in your unit or facility that you would be willing to share with other critical care nurses? Posters can depict a completed or on-going nursing research project, an innovation in patient care or evidence based practice, or a specific clinical improvement effort.

The posters will be displayed in the conference center during the break periods on Wednesday March 21 and Thursday March 22. One primary presenter of each poster will receive a discounted fee on their conference tuition and must be available for questions and discussion in the display area during break times.

Posters should be free standing and able to sit on a 6 x 2 table.

Please contact Jean Little (jeanlittlecbaacn@gmail.com) for details and to register by February 20, 2018

REGISTRATION & PAYMENT INFORMATION

Two Day Early Registration - Must be postmarked by February 28th, 2018
