AORN Connecticut Chapter Leadership Positions

The Connecticut Chapter of AORN is seeking nominations for leadership positions within our organization. We invite you to step forward and make a lasting impact on the perioperative nursing community in Connecticut.

If you're passionate about advancing nursing practice, improving patient safety, and shaping the future of perioperative care, we encourage you to nominate yourself or a colleague for a leadership role.

Nominations are open for various positions, including board members, committee chairs, and officers.

Your involvement helps ensure the continued success and growth of AORN's initiatives at the state level. Joining the leadership team provides valuable professional development opportunities, networking, and the chance to influence change.

For more details about the positions available and to submit a nomination, please visit our website. The deadline for nominations is April 14th, 2025. Don't miss this opportunity to contribute to the future of our chapter and the perioperative nursing profession!
